

Neko to Wakagashira

Busamen

A ball-boasting stray cat who loves women.
Lately, some scary people around town have been giving him attention...
But they give him delicious things to eat, so he can't help but go back.

Kuroi Kengou (37)

The Kuroguro Group's Wakagashira.
At just 37, he is the dependable hope of the group (the idol).
He loves cats, but they won't let him hold them, even though
he looooooooooves them soooooo much. So much.

Shirakaba Touma (37)

Acts like a senpai even though he's only 3 days older than the Wakagashira.
He's in love with the Wakagashira, but he can't win against the ugly cat.
Frustrating.

MY NAME IS
BUSAMEN.

YOO,

EVERYONE?

CAN'T YOU
SEE IT?

Thank you for reading this far!
Fierce men being toyed with by a cat... So good...
And there's a serialization planned with GUSH-san for Kuroi and Shirakaba.
The title hasn't been decided, but maybe it'll be another ~Koi series? I wonder?
Their silly quarrel over Busamen won't go beyond this doujinshi, but I hope
you can look after Busamen from here on out too.
